

# Youth Summer Program Undergraduate Scholarship

DIVISION OF TEACHING LABORATORIES

This scholarship will be awarded on the basis of academic merit to a past Faculty of Medicine Youth Summer Program (MED YSP) student who has completed at least one module within the last five years and is a full time undergraduate student enrolled in their first year of a Life/Biological Sciences program at the University of Toronto. Students are required to have achieved at least high 80s grades in their high school courses to be considered for this scholarship.

### Required documents

1. High school transcript.
2. Course registration which indicates which Faculty/Program you are enrolled in and what courses you are taking this term (i.e. a copy of ROSI/ACORN registration).
3. Resume/CV.

Please submit the entire application package, including this form, as a single PDF file to Mr. Artur Jakubowki at med.ysp@utoronto. **Deadline** to apply is October 30, 2020, 5 PM EDT.
